### **Completed Projects Available on Board Website**

The Nebraska State Board of Public Accountancy (Agency #63) has completed two recent projects which have been placed on the Board's website in the left-hand banner. They include:

- The response to Governor Pete Ricketts' request for agency review of regulations known as Executive Order #17-04.
- The issuance of Guidance Documents and an index to Board regulations as submitted to the Executive Board of the Legislature as required by law.

*"These two important projects are complete and reveal the Board's commitment to transparency, as well as the continued review of Board regulations and policy initiatives. This allows our major stakeholders, including the public, members of the CPA profession, the Nebraska Society of CPAs, the Nebraska Society of Independent Accountants, and the American Institute of CPAs (AICPA), to engage the Board regarding its benefits to the public, business community, governmental oversight, and others. I would also like to acknowledge the work of Administrator Kristen VanWinkle on these projects,"* according to Executive Director Dan Sweetwood.
